Software projects

03/2018 to 10/2018

At a large auditing company in Berlin
This company mainly provides financial advice
and is represented worldwide.

**Intranet application in C#, .NET and JavaScript
(also Angular 6, Draw.io, Azure, REST API,
Visual Studio Code and more)**

Development of a intranet application for managing customer
projects in a financial consultation environment.
My part was mainly frontend development until REST API.

05/2017 to 10/2017

Carl Zeiss Microscopy GmbH in Munich
Part of optical industries,
specialist for high-resolution microscopes

**Desktop application for Windows PC in C#
(with WPF and .NET, Visual Studio 2015 and TFS).**

Development and optimization of a wizards for fine adjustment
of parameter to generate high-resolution images of tissues
with brightfield- / fluorescence microscope.
(for Device Carl Zeiss Axio Scan.Z1)

11/2016 to 12/2016

markenbuero GbR in Dresden
Design and advertising agency.

**Desktop applications for Windows PC in C#
(with .NET and WPF with MS Visual Studio 2015).**

Development of a GUI according to extremely detailed
design specifications. Software designed for application in
pharmaceutical production in cleanroom environments.

- 08/2016 to 01/2017 GeSiM mbH in Rossendorf near Dresden
Instrumentation and microfluidics for microarraying, 3D bioprinting, complex material handling at the microscale.
- Optimization of an existing desktop application for Windows PCs in C# (with .NET and WPF with MS Visual Studio 2015, SVN, VPN).**
- Integration of camera control into the existing software of a bio printer. The camera can be physically moved and images are displayed live on a screen. Drops are automatically detected and their volume calculated. Results are displayed and a report is generated and saved.
- 12/2013 to 07/2016 GeSiM mbH in Rossendorf near Dresden
Instrumentation and microfluidics for microarraying, 3D bioprinting, complex material handling at the microscale.
- Project manager for development of desktop-application for Windows-PCs in C# (with .NET and WPF with MS Visual Studio 2013 and 2015, SVN, VPN for robot steering).**
- Supervised three team members. Development of an extensive and extremely complex steering system for cleanroom laboratory equipment. Project cycle management, software architecture, software development, GUI design, product testing, managing customer relations. Included developing several user interfaces, data processing, data storage, and data display for two sets of equipment: a 3D scaffold for printing human organs (bones, skin and veins), and a fully automated precision synthesizer for pharmaceutical usage (picoliter-scale volumes and μm -scale movements).
- 07/2013 to 11/2013 NASSENHEIDER e.K. in Dresden
- Android application for tablets with JavaEE (Eclipse und JDK).**
- Development of a touchpad-driven machine steering for automated honey processing machinery.
- Two phases:
02/2012 to 05/2012
and
08/2012 to 11/2012
- Fraunhofer Institut IVI and ADAC in Dresden
Fraunhofer Institut is a German research organization with 72 institutes spread throughout Germany.
- Android App for smartphones with JavaEE (Eclipse, JDK, SVN).**
- Data collection and analysis to detect motorway traffic jams via device-integrated g-Sensor. Integration of mathematical algorithms into software.

08/2011 to 11/2011 Fraunhofer Institut IVI and John Deere agricultural machinery in Dresden. Fraunhofer Institut is a German research organization with 72 institutes spread throughout Germany.

Android App for smartphones with JavaEE (Eclipse, JDK, SVN).

Developing gesture control and motion-driven steering for smartphones.

Website projects

since 2007 Examples of completed website projects can be found on my website: www.mehlhof.com

Education

02/2011 – 02/2013	Vocational training as IT Specialist for application development with practice at Fraunhofer Institute for Transportation and Infrastructure Systems IVI (Java, Android), degree as Computer Science Expert, Subject area: Software Development
09/1992 – 06/1999	University studies in sociology and Indian art history (Freie Universität Berlin, Technische Universität Berlin)
07/1992	High school diploma with additional technical training component
since 1987	Doing programming (Basic, Atari XE)

Skills

C#
.NET
WPF
REST
Visual Studio

JAVA
Android
Eclipse
Android Studio

HTML
PHP
JavaScript
TypeScript
CSS
Bootstrap
Angular 6
Visual Studio Code

git
SVN
TFS
